Day 3 Ubud – Local Market, Cooking Class

No trip to Ubud would be complete without haggling at the local market to get that Bali Bag! We will go down straight after breakfast as this is the best time to catch a deal, the earlier the better! Mid-afternoon we will be off to fire up some woks and cook our dinner at a traditional Balinese cooking class. This is a really special experience cooking in an open kitchen in the middle of rice fields.

Accommodation - Ubud Aura Retreat or similar, BB.

Day 4 Ubud – Mt Batur, Monkey Forrest

For all the keen hikers it will be an early start for you today. Time to catch one of the best sunrises of your life on top of Mt Batur. Watch the sun shimmer its way through the low-lying clouds below you. If mountain climbing or early mornings isn't your thing then enjoy a sleep-in back in Ubud. After lunch, it is time to get the bananas ready as we go and visit Monkey Forest, watch out they can be cheeky! Accommodation - Ubud Aura Retreat or similar, BB.

Day 5 Gili T - Sunset

Time for greener pastures or should we say bluer waters. Today we will island hop to the spectacular Gili islands. Cruise in style on the fast boat. Once we arrive in Gili T, we will get checked into our Hotel and make our way to the beach to get that famous Gili T sunset shot. Once the sun goes down the Gili T nightlife ramps up. Try a couple of 'joss shots' and dance the night away up and down the many beach bars. Accommodation - Scallywags Resort or similar, BB.

Day 6 Gili T – Turtles, Bicycle Tour

All aboard as we get onto our private boat to go looking for turtles. Kick that hangover in the butt by diving into the crystal clear tropical waters whilst we go turtle spotting. This is a real crowd pleaser and not to be missed! Once back to Gili T where we will jump on bicycles for a leisurely pedal around the island to take in the stunning views. Accommodation - Scallywags Resort or similar, BB.

Day 7 Nusa Lembongan – Devils Tear View Point

Today we say goodbye to the Gili Islands, and we will be making our way to the relatively unexplored island of Nusa Lembongan.
